IMAGINE, CREATE & DESIGN

Home design is not limited to a one job experience, a project succes is spreading over a global creative and shared vision. The Medibelle Design Group is the ultimate result out of an intelligent alliance in between several experts. All of them famous in their own fields. Animated by passion. Interior design, outdoor fittings pool and garden are melting all together under a unique concept created for you alone.

The Medibelle Design Group is then offering you the control and confort of a design office, an artistic approach, an exchange relationship, an unquestioned quality for your job site follow up, all done.

Sportive pool

Against jet swimming
and massage, a game
and training area.

The design pool

Creative shapes, trendy
materials and accessories
to enhance.

LIVE YOUR DREAM POOL

With a wide experience about all kinds of projects. The pool team
at the Medibelle Design Group is responding to any sort of tailored
requirement. Pools built with traditional methods are adapting to
any designs and desired sizes.

CANDELABRA PAINTS

The elegance touch

Design to protect public lighting backings and city furniture. A candelabra painting process is a performing anti-corrosion treatment. On wich applies a great artistic finish.

Patinas, lacquering, different marble effect or gilding. Are dressing surfaces with different styles desired. This exclusive know-how in Provence is giving to Medibelle Design numerous references among public and private clients, always in prestigious spots...

GARDEN & BALNEOTHERAPY SPOT SETTINGS

Frame like a freedom and confort space, the garden is becoming the extension of your home, a meeting point with nature and well being.

Matching element and material, relaxing areas in the sun or in the spa, the garden reflects your desires.

Survey and realisation of green areas, digging, plantation, paving, lighting and automatic watering.

Your custom
space
in the nature

FITTINGS

Custom furniture

Since 50 years, art cabinet making is passed over with passion. A family story, a wording story, a tale of perfume and love for the wood. With its mastery and creativity, medibelle design is conceiving and arranging your indoor and outdoor works.

INDOOR & OUTDOOR

Interior designer

Fostering interaction in professional premises, stimulating harmonious relations in the family and private spheres... Each setting plays its role thanks to a carefully considered ambiance. Shapes, colours and materials are staged in a way that either relaxes, rests, boosts or awakens the senses. Our expertise embraces the art of Feng Shui to harmonise well-being and aesthetics.

Passionately
woody minded

Doors, windows, staircases, woodfloor, furniture, decoration...
Wood is fitting to all styles and trends with all kinds of species.

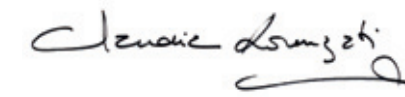

Armand LORENZATI
Art cabinet making

An experienced interior designer and decorator, she has the gift of providing solutions to the most daring challenges... and to the simplest needs.

Luxury is a must beginning when needness ends.
« Coco Chanel »

Claudia LORENZATI
